Misuse of Advance Licences

438. SHRI N. GIRI PRASAD:
SHRI GURUDAS DAS GUPTA:

Will the Minister of COMMERCE be pleased to state:

(a) whether Government's attention has been drawn towards the findings of the Comptroller and Auditor General (CAG) detecting large scale misuse of advance licences costing exchequer Rs. 14,000 crore; and

(b) if so, the details and the action taken against the defaulting licence holders?

THE MINISTER OF STATE OF THE MINISTRY OF COMMERCE (SHRI BOLLA BULI RAMAIAH): (a) and (b) The Comptroller and Auditor General of India, in its Report for the year ended 31.3.95 (No. 4 of 1996) Union Government (Revenue Receipt—Indirect Taxes) relating the Advance Licensing Scheme, had, inter-alia, mentioned that the amount of Customs Duty foregone in respect of imports made against Quantity Based and Value Based Advance Licences during the financial years 1992-93, 1993-94 and 1994-95 was Rs. 14,668.80 Crores which was primarily on account of non-fulfilment of export obligation on Advance Licences issued during the said period. On an examination of these figures, it was however, found that the above figures did not reflect the correct position for the period 1990-91 to 1994-95 as these figures only indicate the maximum CIF value of imports which could have taken place under the scheme and did not taken into account the actual imports made during the above said period.

These figures have since been revised and submitted to the C&AG. The detailed position for the period 1990-91 to 1994-95 regarding the total number of licences issued, FOB value of export obligation imposed on the licence, CIF value of imports as well as the total

obligation fulfilled by way of redemption/ submission of evidence of fulfilment of 100% export obligation, are set out in Appendix to this statement(see below). In all cases where export obligation has not been fulfilled action as per the Exim policy has been initiated to recover the Customs Duty alongwith interest and penalty. In cases where there is a suspicion of fraud or misrepresentation, enforcement action under Foreign Trade (Development & Regulation) Act has been instituted. The Customs Authorities have also initiated adjudication proceedings in all such cases under the Customs Act, 1962 and other related legal enforcement provisions.
